

Beginner Independence Beats

1

Drum notation for exercise 1. The pattern consists of four measures in common time (indicated by a 'C'). Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

2

Drum notation for exercise 2. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

3

Drum notation for exercise 3. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

4

Drum notation for exercise 4. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

5

Drum notation for exercise 5. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

6

Drum notation for exercise 6. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

7

Drum notation for exercise 7. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

8

Drum notation for exercise 8. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

9

Drum notation for exercise 9. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

10

Drum notation for exercise 10. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

11

Drum notation for exercise 11. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

12

Drum notation for exercise 12. The pattern consists of four measures in common time. Each measure contains two eighth notes. The first note of each measure has a vertical stroke (downward) and an 'x' above it. The second note has a vertical stroke (upward) and an 'x' below it.

Beginner Independence Beats

13

Drum notation for exercise 13. The pattern consists of four measures in common time (indicated by a '4' in a circle). The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

14

Drum notation for exercise 14. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

15

Drum notation for exercise 15. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

16

Drum notation for exercise 16. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

17

Drum notation for exercise 17. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

18

Drum notation for exercise 18. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

19

Drum notation for exercise 19. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.

20

Drum notation for exercise 20. The pattern consists of four measures in common time. The first measure has two vertical strokes (x) on the bass drum. The second measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum. The third measure has two vertical strokes (x) on the bass drum. The fourth measure has one vertical stroke (x) on the bass drum and one vertical stroke (x) on the snare drum.
